

Black Belt Divisions

Anyone may compete in NBL divisions, however a blackbelt must be worn during competition. (Blackbelt exceptions: 1. Team forms must have at least one black belt per entry and the rest can be any rank, 2. Choreographed Fight SD players can be any rank, 3. Breaking players can be any rank, 4. Junior continuous players can be any rank but non-black belts must not wear a belt, 5. Junior team sparring players can be any rank, 6. A junior player that has reached the highest rank before reaching black belt and is not permitted to obtain a blackbelt as a youth in his school.) NBL divisions are intended for players with tournament experience and "blackbelt" or highest level skills. Make your choice to compete in NBL divisions accordingly. SKIL members are allowed to use wins in NBL divisions toward their SKIL Blackbelt point totals on their SKIL point charts. All blackbelt and under blackbelt players entering NBL divisions must enter based on the age they were on January 1 at 12:00AM excepting that player who will be turning 18, 35, or 45 during the year are allowed to move up and compete in those divisions at any time during the year or may compete at the same age that they were on the first day of the year for the entire season (see Rules at a Glance in the brochure under FORMS 6 or SKITA rulebook V.B.4.). NBL player ratings are free.

(Note: A division labeled contemporary allows creative and open musical. No sound effects or background music in choreographed divisions.)
